

Cookie Policy

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

By continuing to browse the site, you are agreeing to our use of cookies. However, if you would like your computer to decline these cookies, you can do this by disabling all cookies in your internet browser settings - please refer to your browser's "help" menu for instructions.

A cookie is a small file of letters and numbers that are stored on your browser or the hard drive of your computer if you agree and which is used in order to make websites work, or work more efficiently, as well as to provide information to owners of the website. Cookies contain information that is transferred to your computer's hard drive.

Aspen Build (East Anglia) Limited use only strictly necessary cookies. These are cookies that are required for the operation of our website and let you move around the website. Strictly necessary cookies tend to be session cookies, which are temporary that remain in the cookie file of your browser until you leave the site and are deleted at the end of the browser session.

Blocking Cookies

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Policy Changes and Updates

From time to time it may be necessary for us to change or update this cookie policy, which we may do at any time by amending this page. Please check this page from time to time to take notice of any changes we make.
